

Achiever!

Meet our Continuous School Improvement Model

Improve learning engagement **with our**
educational program.

Prepare your students
to score higher on their
state assessments

Establish **academic**
objectives for growth
and progress

Save **teachers' time**
and increase **student**
achievement

The educational program that **empowers every student to achieve standards mastery!**

Achiever! is a proven, evidenced-based preparation program for grades K– 8 that provides data-driven instruction for mastery of standards in **Math, ELA, Science, and Social Studies** with **personal learning plans** for every student.

Discover our K–8 effective learning

Each lesson addresses a **state standard**. Brainchild's self-paced learning process transforms students as they build **confidence** and **self-esteem**.

Frequently used for:

- Special Education Programs
- ESL/ELL Environments
- Title I
- Title IV After School Activities

Real-time **reports track progress**

Student Report:

Share with parents to **show progress** and time on task for each standard.

Classroom Report:

Adjust class or **individual instruction**.

School-Wide Reports:

A variety of reports shows **strengths** and areas that **need attention**.

This product is available **online** and in **Study Buddy** cartridges.

"Achiever was a part of our student's success on state tests. It was extremely helpful in re-teaching lessons not mastered in class. In addition, it gave us immediate feedback for daily RTI targeted interventions."

Assessment Instructor

Achiever!
Linking standards to instruction

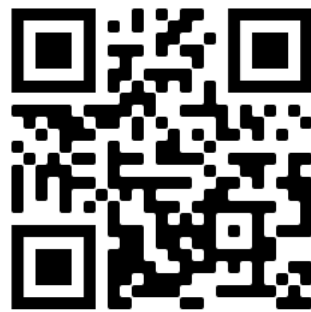

Heat a tablespoon of oil in a small pan over medium heat. Mix two eggs in a bowl. Pour the eggs into the pan and heat, stirring constantly, until set.

How much oil do you use in this recipe?

- ☐ A two tablespoons
- ☐ B one tablespoons
- ☐ C one teaspoons
