

High School Equivalency

HiSET & GED preparation

Keep your students motivated & start
building a new future!

Increase your
students' **personal**
and **employment**
opportunities.

Improve your learner's
self-esteem and
confidence to achieve
their goals.

Implement a
personalized learning
process and save
teachers' time.

Discover our educational resources

Our **GED & HiSET** products help your students to prepare for **High School Equivalency tests**.

These include specified instruction in Math, Language Arts, Science, and Social Studies that helps to increase the first-time pass rate.

HiSET				GED			
Math	Language Arts	Science	Social Studies	Math	Language Arts	Science	Social Studies
Numbers & Operations	Reading	Life Science	American History	Algebraic Problem Solving	Reading	Life Science	Civics & Government
Data & Probability	Writing Conventions	Physical Science	Civics & Government	Quantitative Problem Solving	Writing Conventions	Physical Science	American History
Algebraic Concepts		Earth & Space Science	Economics			Earth & Space Science	Geography
Measurement & Geometry			Geography			Nature of Science	Economics

Students master each lesson with a 3-step process.

1. Watch a video
2. Practice with guided feedback
3. Test for progress

Our High School Equivalency products allow teachers to:

· Print **worksheets** with **answer keys** (not disposable like workbooks).

· View **real-time student** and **classroom reports** to see measurable gains.

· Use the **group instruction** option with video projectors.

Frequently **used for:**

- Adult Education
- Correctional Education
- Juvenile Justice programs
- Alternative Education

This product is available **online** and in **Study Buddy** cartridges.

“We immediately noticed an increase in GED pass rates with Study Buddies.”
