

Correctional Education

ABE/HSE Programs for re-entry success

Discover our effective **learning program**

Engages and Empowers All Adult Learners

Reduces Recidivism through Quality Education

Increases Professional Workforce and Life Skills

Academic tools for re-entry success

Correctional education programs lower recidivism rates and increase employment opportunities post-release.

Meet our **proven andragogy**

Our **internet-free electronic** handheld tutor helps struggling learners perform better through personalized and self-paced instruction.

Adult correctional and youth services programs report that Study Buddy:

Improve academic comprehension

Engage learners more than any other academic tool

Promote further involvement

Types of **Study Buddy** Software

Pathfinders

is an educational resource that offers 300+ lessons numbered by Adult CCR standards aligned to **TABE and CASAS** in the 3 core subject areas: Reading, Language, and Mathematics.

Mechanics

is a basic skills program for **re-teaching essential foundation** skills for

learners who are behind two or more grade levels. Mechanics is perfect for Pre-GED/ABE instruction and is available in English & Spanish.

Our GED and HiSET

programs include specified instruction in math, language arts, science, and social studies that helps to increase the **first-time pass rate**.

“Our students here at Brevard Adult and Community Center have enjoyed using the Study Buddies. Many students have successfully completed lessons/questions, which in turn boosts their confidence. Study Buddies have been used to review skills before our students have taken the GED tests. We are pleased to have them in our classroom as another resource to help our students reach their goals.”

Program Coordinator at Brevard Adult and Community Center.

Secure Charge Kit

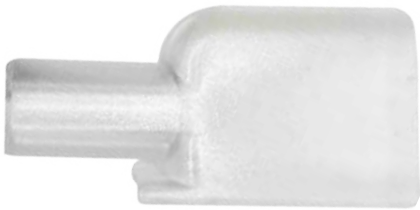

1. Adapter

The kit includes an adapter that allows you to **convert the USB-C connector into a unique plug**, making it incompatible with unauthorized devices.

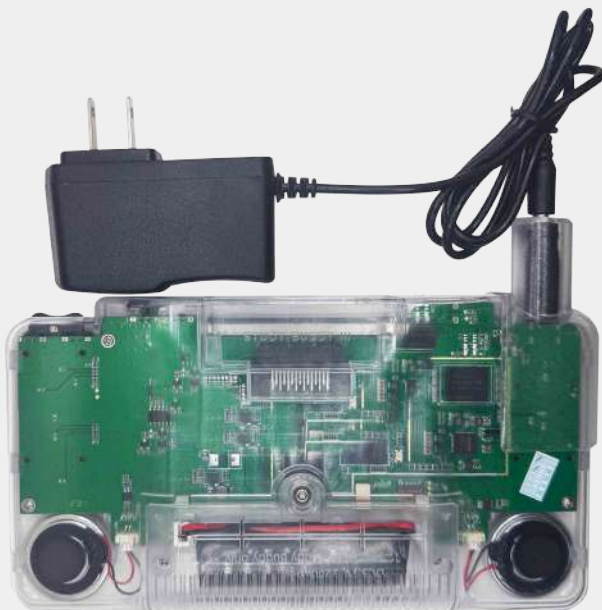

2. Clear Acrylic Cover

A clear acrylic cover is included, securely "super-glued" into the body of the Study Buddy. This cover acts as an **extra layer of protection**, ensuring that the charging port remains tamper-proof.

3. New Charger

Alongside the adapter and cover, we provide a **new charger designed exclusively for your Study Buddy**. This charger has limited value for charging other devices, so you can have peace of mind knowing that it won't be used for unauthorized purposes.

Note: This Kit is sold separately

Meet our **effective solution** for enhancing the **security** of your correctional facility.

This kit ensures the security of your device and provides **peace of mind**, allowing your inmates to focus on their studies without worrying about potential tampering or unauthorized usage.
